Block 13

SLANTED DIAMONDS 6" x 6" Finished Block

Westalee Tools used:

Adjustable Ruler 12 1/2" or 18" or 24"

Half Square Triangle

If this block appears familiar - it is a variation on Block 8

Use your Half Square Triangle adjusted to 3" to set your Adjustable Ruler.

Place your Focus fabric and Background Fabric, right sides facing,

From your fabric cut out enough strips on the bias to make 4 Half Square Triangles

Sew the bias edges of the strip.

Follow the diagrams to piece units and block

The Black arrows show construction

Press the seams in the direction of the Red arrows

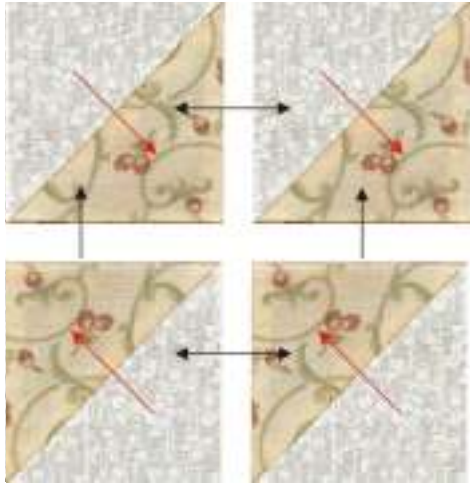

Sew using a scant Quarter Inch Seam Allowance

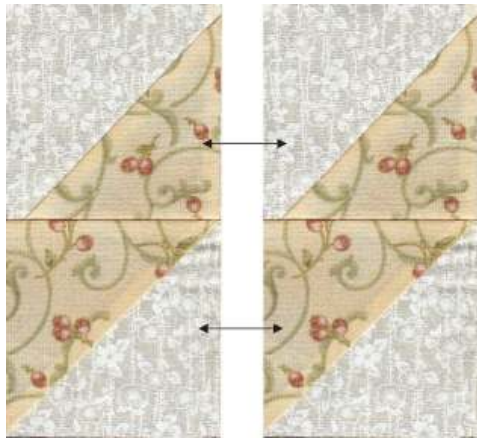

Make 4 Half Square Triangle units

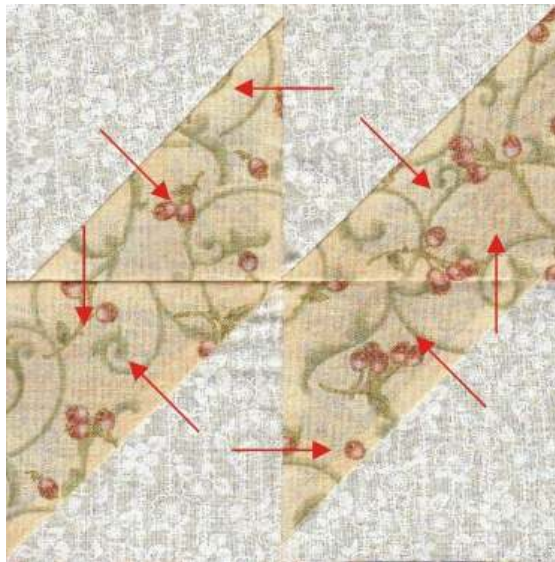

Press seam allowance to the focus fabric

Press seams in direction of arrows

Join 2 Half Square Triangle units together

Press seam in direction of arrows and spiral the centre seam

I spiraled 2 of the diagonal seams
