CUT

- | | | |
|--------------------------|-----------------|---------------------|
| A cut 4 - Puzzler | 2 and 2 reverse | - Background Fabric |
| B cut 2 - Puzzler | 1 and 1 reverse | - Focus Fabric 1 |
| A cut 2 - Puzzler | 1 and 1 reverse | - Focus Fabric 2 |

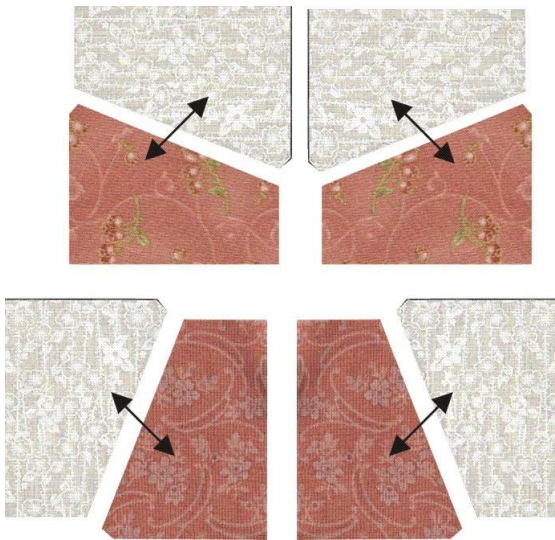

Follow the diagrams to piece units and block

The Black arrows show construction

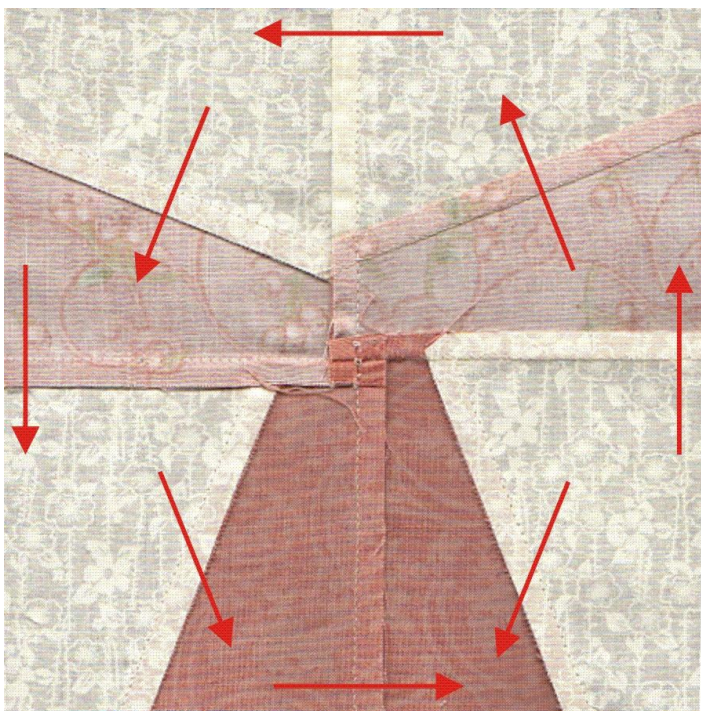

Press the seams in the direction of the Red arrows

Sew using a scant Quarter Inch Seam Allowance

Join your pieces - laying out all the pieces prior to sewing can avoid unpicking

Press your seams as shown and put a spiral in the centre

TIP:

Don't be afraid to work with Bias

When you look at the blocks we have made so far you will see that many of them are made using Quarter Square Triangles and more often Half Square Triangles. There are many more difficult looking blocks that when you break down the piecing they can be constructed into Quarter Square Triangle and Half Square Triangles which will make piecing the block easier.

Please note: All blocks have been made using the instructions given. No responsibility can be provided nor results guaranteed. having no control over the choices of materials or procedures used, neither the author or the publisher shall have any liability to any person or entity with respect to any loss or damage caused directly or indirectly by the information given.
